

Application Travel Scholarship

How to apply

Please answer the questions below in maximum 3 pages. Send this document, together with your budget and CV, to scholarships@rabbanifoundation.org.

Project description

Give a brief summary of the project you are seeking funding for. Describe the purpose of the project; what problem it addresses; how the project contributes to the mission of the Lutfia Rabbani Foundation and what approach it uses.

Desired effect and results

Describe the results of the project, both concrete and abstract and indicate how soon these results will be achieved.

Publicizing results

Describe what activities will be initiated to publicize the results of the project. Think of an event, (social) media strategy, communication and other influencing activities.

Timeline

Indicate the start- and end date of the project.

Travel schedule

Outline the travel itinerary of the project.

Activities

Describe what activities are carried out within the scope of the project and indicate within what timeframe they will be achieved.

Innovation

Describe how the proposed initiative compares to existing initiatives. Are there organizations or projects with a similar mission and approach? If so: how can the proposed initiative add to that? And why is the proposed approach the most appropriate for the specific challenge?

Risks

Describe the risks associated with your project. What are the circumstances that can lead to unexpected obstacles? How do you intend to deal with these risks?

Evaluation

Is there an interim evaluation? If so please describe.

Partners

Name and describe the involved partners- both financial and cooperative- in the realization of this project.
